

NemKonto - dokumentation for dao

Du kan lave dokumentationen for din virksomheds NemKonto, når du logger på med NemID på www.nemkonto.dk.

Her printer du (evt. et screen dump) virksomhedens NemKonto-oplysninger. Alternativt kan din bank også sende en bekræftelse til os.

NemKonto-bekræftelsen skal du sende til dao på pskonsulenter@dao.as

It shows the current NemKonto number as 2211-4381726040 and the last update date as 18-06-2010 20:04. A sidebar on the right, titled 'Brugerinfo', shows the user is logged in as 'DANSK A/S OMDDELING A/S' with the address 'Niels Finsensvej 11, 7100 Vejle' and CVR: 26 06 38 92. A 'Log af' button is visible in the sidebar. A note at the bottom of the main content area explains that if a business wants to use a different account, they should contact their bank.
